## JOIN US IN MAKING SAN ANTONIO HEALTHIER

We are thrilled to announce that we are teaming up with the **San Antonio District Dental Society (SADDS)** for our annual Smiles of Hope community event. This event aims to provide **FREE** dental care to low-income community members who are not current patients at our clinic and cannot afford life-saving dental treatment.

Patients must make an appointment for x-rays, a dental screening to determine the treatment needs of the patient, and then appointed a time for "day of" treatment.
