

Dear ---

Your generous gift of xxx in response to the Wade Richmond Foundation Challenge made tremendous impact on the lives of the countless individuals and families we serve. It is because of your generosity that we met the \$100K challenge which provides the resource we need to stay true to our mission provide free oral health services to underserved adults in San Antonio and Bexar county.

For nearly 40 years, SA Christian Dental Clinic has been a pillar of our community. We understand that oral health is necessary to overall physical health, and are committed to improving the overall well-being of every person that comes through our doors. From the working poor to underserved veterans, seniors on fixed incomes to neighbors experiencing homelessness, we are dedicated to meeting the critical need for dental care.

Thanks to philanthropists like you, we can provide the highest quality care to those in need. But what truly sets us apart is our patient-centered approach. We put our clients' needs first and work to understand what they want for their lives. It's not just about dentistry - it's about the entire person and their well-being.

Your generosity will allow us to serve even more clients, ensuring that they receive the care they need to live happy, healthy lives. We are forever grateful for your support.

With sincere gratitude,

Clay Richmond got quite a kick out of our Dental Assisting Students "Holy Molars" Tees!
